Commissioner for Patents

As per the Examiners Answer mailed 5/11/2010, in section "(9) Grounds of Rejection", the first paragraph listing the 35 USC 103(a) rejections only lists up to claim 42 but should also include claim 43. Note that the actual claim mapping for claim 43, but only listing of claims before the mapping is missing claim 43. Please note that this communication acts to correct this problem with the need for sending a corrected Examiner Answer.
